

In re reissue application of
Nally, et al.
Serial No. 09/374,041
Control No. 90/005,471
Filing Date: August 13, 1999
For: U.S. Patent No. 5,598,525

In the Specification:

A revised substitute specification, accompanied by a copy of a petition under 37 C.F.R. § 1.183, all as required by the Examiner, is attached. The revised substitute specification includes all prior Certificates of Correction as if they were part of the original patent (without brackets or underlining). It also includes all other amendments to the specification with brackets and underlining, including the amendment filed March 6, 2002.
